

## Burning Hands

*1st-level evocation*

 1 action

 Instantaneous

 Self (15-foot cone)

 V, S

As you hold your hands with thumbs touching and fingers spread, a thin sheet of flames shoots forth from your outstretched fingertips. Each creature in a 15-foot cone must make a Dexterity saving throw. A creature takes 3d6 fire damage on a failed save, or half as much damage on a successful one.

The fire ignites any flammable objects in the area that aren't being worn or carried.

## Burning Hands

*1st-level evocation*

**At higher level:** When you cast this spell using a spell slot of 2nd level or higher, the damage increases by 1d6 for each slot level above 1st.

## Catapult

*1st-level transmutation*

 1 action

 Instantaneous

 150 feet

 S

Choose one object weighing 1 to 5 pounds within range that isn't being worn or carried. The object flies in a straight line up to 90 feet in a direction you choose before falling to the ground, stopping early if it impacts against a solid surface. If the object would strike a creature, that creature must make a Dexterity saving throw. On a failed save, the object strikes the target and stops moving. In either case, both the object and the creature or solid surface take 3d8 bludgeoning damage.

## Catapult

*1st-level transmutation*

**At higher level:** When you cast this spell using a spell slot of 2nd level or higher, the maximum weight of objects that you can target with this spell increases by 5 pounds, and the damage increases by 1d8, for each slot level above 1st.

## Charm Person

*1st-level enchantment*

 1 action

 1 hour

 30 feet

 V, S

You attempt to charm a humanoid you can see within range. It must make a Wisdom saving throw, and does so with advantage if you or your companions are fighting it. If it fails the saving throw, it is charmed by you until the spell ends or until you or your companions do anything harmful to it. The charmed creature regards you as a friendly acquaintance. When the spell ends, the creature knows it was charmed by you.

## Charm Person

*1st-level enchantment*

**At higher level:** When you cast this spell using a spell slot of 2nd level or higher, you can target one additional creature for each slot level above 1st. The creatures must be within 30 feet of each other when you target them.

## Chromatic Orb

*1st-level evocation*

 1 action

 Instantaneous

 90 feet

 V, S, M (a diamond worth at least 50gp)

You hurl a 4-inch-diameter sphere of energy at a creature that you can see within range. You choose acid, cold, fire, lightning, poison, or thunder for the type of orb you create, and then make a ranged spell attack against the target. If the attack hits, the creature takes 3d8 of the type you chose.

## Chromatic Orb

*1st-level evocation*

**At higher level:** When you cast this spell using a spell slot of 2nd level or higher, the damage increases by 1d8 for each slot level above 1st.

## Color Spray

*1st-level illusion*

 1 action

 1 round

 Self (15-foot cone)

 V, S, M (a pinch of powder or sand that is colored red, yellow, and blue)

A dazzling array of flashing, colored light springs from your hand. Roll 6d10; the total is how many hit points of creatures this spell can effect. Creatures in a 15-foot cone originating from you are affected in ascending order of their current hit points (ignoring unconscious creatures and creatures that can't see).

## Color Spray

*1st-level illusion*

Starting with the creature that has the lowest current hit points, each creature affected by this spell is blinded until the spell ends. Subtract each creature's hit points from the total before moving on to the creature with the next lowest hit points. A creature's hit points must be equal to or less than the remaining total for that creature to be affected.

**At higher level:** When you cast this spell using a spell slot of 2nd level or higher, roll an additional 2d10 for each slot level above 1st.

## Comprehend Languages

*1st-level divination (Ritual)*

 1 action

 1 hour

 Self

 V, S, M (a pinch of soot and salt)

For the duration, you understand the literal meaning of any spoken language that you hear. You also understand any written language that you see, but you must be touching the surface on which the words are written. It takes about 1 minute to read one page of text.

This spell doesn't decode secret messages in a text or a glyph, such as an arcane sigil, that isn't part of a written language.

## Detect Magic

*1st-level divination (Ritual)*

 1 action

 Concentration, up to 10 minutes

 Self

 V, S

For the duration, you sense the presence of magic within 30 feet of you. If you sense magic in this way, you can use your action to see a faint aura around any visible creature or object in the area that bears magic, and you learn its school of magic, if any.

The spell can penetrate most barriers, but it is blocked by 1 foot of stone, 1 inch of common metal, a thin sheet of lead, or 3 feet of wood or dirt.

## Disguise Self

*1st-level illusion*

 1 action

 1 hour

 Self

 V, S

You make yourself - including your clothing, armor, weapons, and other belongings on your person - look different until the spell ends or until you use your action to dismiss it. You can seem 1 foot shorter or taller and can appear thin, fat, or in between. You can't change your body type, so you must adopt a form that has the same basic arrangement of limbs. Otherwise, the extent of the illusion is up to you.

## Disguise Self

*1st-level illusion*

The changes wrought by this spell fail to hold up to physical inspection. For example, if you use this spell to add a hat to your outfit, objects pass through the hat, and anyone who touches it would feel nothing or would feel your head and hair. If you use this spell to appear thinner than you are, the hand of someone who reaches out to touch you would bump into you while it was seemingly still in midair.

To discern that you are disguised, a creature can use its action to inspect your appearance and must succeed on an Intelligence (Investigation) check against your spell save DC.

## Earth Tremor

*1st-level evocation*

 1 action

 Instantaneous

 Self (10-foot radius)

 V, S

You cause a tremor in the ground in a 10-foot radius. Each creature other than you in that area must make a Dexterity saving throw. On a failed save, a creature takes 1d6 bludgeoning damage and is knocked prone. If the ground in that area is loose earth or stone, it becomes difficult terrain until cleared.

## Earth Tremor

*1st-level evocation*

**At higher level:** When you cast this spell using a spell slot of 2nd level or higher, the damage increases by 1d6 for each slot level above 1st.

## Expeditious Retreat

*1st-level transmutation*

 1 bonus action

 Concentration, up to 10 minutes

 Self

 V, S

This spell allows you to move at an incredible pace. When you cast this spell, and then as a bonus action on each of your turns until the spell ends, you can take the Dash action.

## False Life

*1st-level necromancy*

 1 action

 1 hour

 Self

 V, S, M (a small amount of alcohol or distilled spirits)

Bolstering yourself with a necromantic facsimile of life, you gain 1d4 + 4 temporary hit points for the duration.

**At higher level:** When you cast this spell using a spell slot of 2nd level or higher, you gain 5 additional temporary hit points for each slot level above 1st.

## Feather Fall

*1st-level transmutation*

1 reaction, which you take when you or a creature within 60 feet of you falls

1 minute

60 feet

V, M (a small feather or a piece of down)

Choose up to five falling creatures within range. A falling creature's rate of descent slows to 60 feet per round until the spell ends. If the creature lands before the spell ends, it takes no falling damage and can land on its feet, and the spell ends for that creature.

## Fog Cloud

*1st-level conjuration*

1 action

Concentration, up to 1 hour

120 feet

V, S

You create a 20-foot-radius sphere of fog centered on a point within range. The sphere spreads around corners, and its area is heavily obscured. It lasts for the duration or until a wind of moderate or greater speed (at least 10 miles per hour) disperses it.

## Fog Cloud

*1st-level conjuration*

**At higher level:** When you cast this spell using a spell slot of 2nd level or higher, the radius of the fog increases by 20 feet for each slot level above 1st.

## Ice Knife

*1st-level conjuration*

1 action

Instantaneous

60 feet

S, M (a drop of water or piece of ice)

You create a shard of ice and fling it at one creature within range. Make a ranged spell attack against the target. On a hit, the target takes 1d10 piercing damage. Hit or miss, the shard then explodes. The target and each creature within 5 feet of the point where the ice exploded must succeed on a Dexterity saving throw or take 2d6 cold damage.

## Ice Knife

*1st-level conjuration*

**At higher level:** When you cast this spell using a spell slot of 2nd level or higher, the cold damage increases by 1d6 for each slot level above 1st.

## Jump

*1st-level transmutation*

1 action

1 minute

Touch

V, S, M (a grasshopper's hind leg)

You touch a creature. The creature's jump distance is tripled until the spell ends.

## Mage Armor

*1st-level abjuration*

1 action

8 hours

Touch

V, S, M (a piece of cured leather)

You touch a willing creature who isn't wearing armor, and a protective magical force surrounds it until the spell ends. The target's base AC becomes 13 + its Dexterity modifier. The spell ends if the target dons armor or if you dismiss the spell as an action.

## Magic Missile

*1st-level evocation*

1 action

Instantaneous

120 feet

V, S

You create three glowing darts of magical force. Each dart hits a creature of your choice that you can see within range. A dart deals 1d4 + 1 force damage to its target. The darts all strike simultaneously, and you can direct them to hit one creature or several.

**At higher level:** When you cast this spell using a spell slot of 2nd level or higher, the spell creates one more dart for each slot level above 1st.

## Ray of Sickness

*1st-level necromancy*

1 action

Instantaneous

60 feet

V, S

A ray of sickening greenish energy lashes out toward a creature within range. Make a ranged spell attack against the target. On a hit, the target takes 2d8 poison damage and must make a Constitution saving throw. On a failed save, it is also poisoned until the end of your next turn.

## Ray of Sickness

*1st-level necromancy*

**At higher level:** When you cast this spell using a spell slot of 2nd level or higher, the damage increases by 1d8 for each slot level above 1st.

## Shield

*1st-level abjuration*

 1 reaction, which you take when you are hit by an attack or targeted by the magic missile spell

 1 round

 Self

 V, S

An invisible barrier of magical force appears and protects you. Until the start of your next turn, you have a +5 bonus to AC, including against the triggering attack, and you take no damage from magic missile.

## Silent Image

*1st-level illusion*

 1 action

 Concentration, up to 10 minutes

 60 feet

 V, S, M (a bit of fleece)

You create the image of an object, a creature, or some other visible phenomenon that is no larger than a 15-foot cube. The image appears at a spot within range and lasts for the duration. The image is purely visual; it isn't accompanied by sound, smell, or other sensory effects.

You can use your action to cause the image to move to any spot within range.

## Silent Image

*1st-level illusion*

As the image changes location, you can alter its appearance so that its movements appear natural for the image. For example, if you create an image of a creature and move it, you can alter the image so that it appears to be walking.

Physical interaction with the image reveals it to be an illusion, because things can pass through it. A creature that uses its action to examine the image can determine that it is an illusion with a successful Intelligence (Investigation) check against your spell save DC. If a creature discerns the illusion for what it is, the creature can see through the image.

## Sleep

*1st-level enchantment*

 1 action

 1 minute

 90 feet

 V, S, M (a pinch of fine sand, rose petals, or a cricket)

This spell sends creatures into a magical slumber. Roll 5d8; the total is how many hit points of creatures this spell can affect. Creatures within 20 feet of a point you choose within range are affected in ascending order of their current hit points (ignoring unconscious creatures).

## Sleep

*1st-level enchantment*

Starting with the creature that has the lowest current hit points, each creature affected by this spell falls unconscious until the spell ends, the sleeper takes damage, or someone uses an action to shake or slap the sleeper awake. Subtract each creature's hit points from the total before moving on to the creature with the next lowest hit points. A creature's hit points must be equal to or less than the remaining total for that creature to be affected.

Undead and creatures immune to being charmed aren't affected by this spell.

**At higher level:** When you cast this spell using a spell slot of 2nd level or higher, roll an additional 2d8 for each slot level above 1st.

## Thunderwave

*1st-level evocation*

 1 action

 Instantaneous

 Self (15-foot cube)

 V, S

A wave of thunderous force sweeps out from you. Each creature in a 15-foot cube originating from you must make a Constitution saving throw. On a failed save, a creature takes 2d8 thunder damage and is pushed 10 feet away from you. On a successful save, the creature takes half as much damage and isn't pushed. In addition, unsecured objects that are completely within the area of effect are automatically pushed 10 feet away from you by the spell's effect, and the spell emits a thunderous boom audible out to 300 feet.

## Thunderwave

*1st-level evocation*

**At higher level:** When you cast this spell using a spell slot of 2nd level or higher, the damage increases by 1d8 for each slot level above 1st.

## Witch Bolt

*1st-level evocation*

 1 action

 Concentration, up to 1 minute

 30 feet

 V, S, M (a twig from a tree that has been struck by lightning)

A beam of crackling, blue energy lances out toward a creature within range, forming a sustained arc of lightning between you and the target. Make a ranged spell attack against that creature. On a hit, the target takes 1d12 lightning damage, and on each of your turns for the duration, you can use your action to deal 1d12 lightning damage to the target automatically. The spell ends if you use your action to do anything else.

## Witch Bolt

*1st-level evocation*

The spell also ends if the target is ever outside the spell's range or if it has total cover from you.

**At higher level:** When you cast this spell using a spell slot of 2nd level or higher, the damage increases by 1d12 for each slot level above 1st.
